Recommends for the increase of pay to the Head clerk of the Bench of Magistrate's Court.

a clerk from the City Magistrate's Court from 1st of July next, as a temporary measure for one year. The Government while continuing the Bench Court in the Bangalore City as a permanent institution, Vide their Order of the 3rd May 1913, have not been pleased to pass any orders as to the present establishment, consisting of a clerk on Rs: 25/- and menial staff, two peons on Rs: 7/- each. I request that this establishment may be made permanent. In this connection, I beg to state that my recommendation for the increase of pay to the Head Clerk has not met with the approval of Government. Since Government, in their Order, directed that the Courts be continued as permanent —

3 permanent Institutions, I find it absolutely necessary that the Head Clerk should get Rs. 30/- per mensem, as for reasons explained in my previous communications on the subject. I venture to submit again that the increase in the work of the clerical establishment of the Court in consequence of the enhanced powers invested recently, and the periodical changes in the constitution of the personnel of the Court, necessitates the placing of a clerk of some status in charge of the records of the Court. Added to this, the proper accounting of the various items of receipts of the Court, involves a certain amount of responsibility, which cannot reasonably be expected to be discharged by one who is not well paid. It

It was on this account, I pro-
posed a small increase to the
pay of the Head Clerk.

3. The present incumbent has been
in charge of the Court, ever since
its formation, and has maintained
Registers, Accounts, and other re-
cords of the Court in a satisfactory
condition. I trust I have made
out a case for the increase of the
pay of Rs: 5/- to the existing clerk.
I therefore request that the Govern-
ment will be good enough to re-
consider their decision, and to
sanction my recommendation.
